We know we have more work to do to earn your trust and confidence and keep Haringey safe. Please contact your local policing team if you need our help. Their emails are included with this letter.

Safer Neighbourhoods officers police the area you live in and deal with local issues, including crime and anti-social behaviour. You can contact them directly, by email. Please note these mailboxes are not monitored 24/7 and as such should be used for non-urgent matters. In an emergency always dial **999** or **101** for non-emergency calls.

If you are unsure what team represents the area where you live, check our postcode finder on [met.police.uk](http://met.police.uk)

## A letter from your police Borough Commander

I am writing to let you know how we are tackling crime in your area. I sent you a newsletter in June 2022 and I am following up on that correspondence to keep you regularly updated.

Reducing violence and protecting the public is my priority.

Officers in Muswell Hill have been responding to complaints about loud and inconsiderate behaviour as well as drug use along The Broadway mainly behind Everyman Cinema. Enquires have led to identifying multiple offenders.

In Alexandra Park, officers have been responding to anti-social behaviour incidents around The Avenue, Alexandra Palace and Woodridings Court where residents have reported loud music being played at night.

In Fortis Green we have been focusing on tackling motor vehicle crime around Leaside Avenue. With the help of the local authority, we have installed cameras to monitor the area, to deter crime and assist with our investigations.

In Harringay Ladder, officers are tackling drug-related crime and anti-social behaviour. They are working with the council to tackle premises which contribute to this.

Officers from the Wood Green Town Centre Team have been working in partnership with British Transport Police, using drug scanning dogs to find drugs in Turnpike Lane Underground Station. This has resulted in arrests for possession of drugs.

The team has also been working to tackle pickpocketing in and around Wood Green town centre. Officers have been conducting both plain clothes and uniform patrols in local shops and on the High Road in conjunction with the local Business Improvement District.

We have recently set up Walk and Talks - open to women aged 18 and above - who would like to go for a walk with an officer and discuss their
